For Immediate Release

The Wisconsin Capitol Pride Annual Board/Community Meeting Sunday September 25, 2011

Thank you for helping to make the 2011 Wisconsin Capitol Pride Parade and Rally such a success this year! It was a record breaking parade with over 500 participants and exceptional attendance and support. It was amazing to see the entire community come together to share and celebrate an afternoon of equality, diversity, and fun!

We are now planning for our Annual Board meeting. We have paired it this year with a community meeting hosted by the Sheraton Hotel in Madison. Everyone is invited to join us, to share your thoughts and ideas about this year's pride events as well as your suggestions for future events. We welcome all community feedback and participation. If you cannot attend the meeting please feel free to email us or post on our facebook.

We would like to grow the annual Pride event and we would like to know what YOU, the community wants and desires. We want to hear from you! Do you want a one day event or a two day event? What would you like to see as far as; entertainment, activities, parade, rally, location etc. How can we make it better and how can we build better relationships within the community? We will share with you our thoughts, ideas and the direction that WCP is moving, as well as the current fiscal status of the organization. We will also be taking nominations and electing new members to open board and committee positions.
